NATIONAL ANTHEM/ PRAYER

Prior to the commencement of the meeting, the National Anthem was sung and a prayer was offered by Rev. Kampamba.

KMC/ENG/01/01/2025: REMARKS BY HIS WORSHIP THE MAYOR

His Worship the Mayor welcomed everyone for finding time to attend the meeting. He mentioned that as members may be aware that the country in 2023-2024 had experienced draught, the Republican President had therefore, come up with an initiative of empowering individuals financially through cash for work. He went on to remind the members that as they

addressed the cash for work program, there were challenges that were encountered hence, the need to call for a meeting and understand the way forward.

KMC/ENG/02/01/2025: REMARKS BY THE DISTRICT COMMISSIONER

The District Commissioner thanked everyone for attending the meeting and further extended gratitude to Kalulushi Municipal Council for implementing cash for work effectively. He went on to thank the Word Development Committees for their hard work and commitment towards the implementation of cash for work and that they had worked very well. He added that as members were aware that the country had experienced shortage of rainfall in 2023-2024, the Republican President though it wise to come up with a strategy to strictly support young ones financially through cash for work. He went on to commend the office of the Town Clerk and the entire team for their hard work in implementing the program.

He went on to say that cash for work was not a family program, hence was not supposed to be abused by not following guidelines.

KMC/ENG/03/01/2025: PRESENTATION BY THE ACTING DIRECTOR DEVELOPMENT PLANNING

The Acting Director Development Planning presented the report on the guidelines with regards to the implementation of cash for work. He went to highlight the Establishment, Composition, Functions, tenure of office, roles, ethical conduct and penalties of Ward Development Committees as attached as at Appendix 1 to the minutes.

After presentations, members had raised the following concerns:-

CONCERNS RAISED BY THE MEMBERS

1. Members wanted to find out if there was any provision for a signature on the contract forms which were being signed by beneficiaries, in response it was mentioned that there was no provision but Ward Councillors were advised to sign anywhere on the form before the forms were modified.
2. Members wanted to find out what the Council was doing about beneficiaries who had arrears. In response members were advised to prepare a report indicating those who had been paid and not and forward the same to the office of the Town Clerk for further verification and would later give feedback to the affected.
3. Members were seeking advice that according to the guidelines which stated that the under age and over age could not be engaged, but were the most vulnerable, in response it was mentioned that the District Commissioner and the Town Clerk would be engaged to decide on the matter and the response would be shared on the platforms and see the way forward.
4. Members wanted to find out who was supposed to identify individuals to benefit from the program (cash for work), in response, it was mentioned that, stakeholders, Ward Development Committees with the involvement of the Area Councillor were supposed to come up with a decision.

KMC/ENG/04/01/2025: SUBMISSIONS FROM WARDS

Members were guided to present the works that were being done in their respective wards, mode of recruitment, challenges, successes, recommendations and way forward.

The representations from various wards were presented as follows;

24. CHIBULUMA WARD

The Ward Councillor for Chibuluma Ward had informed the members that he was not working hand in hand with Ward Development Committees and was not involved in any activities that were being undertaken in the ward. Arising from the aforementioned, the Town Clerk had therefore, advised the Ward Development Committee Chairperson not to present a report.

CLOSING REMARKS BY THE TOWN CLERK

The Town Clerk thanked everyone who had made submissions and promised that Kalulushi Municipal Council officials would go on the ground to identify why some wards were not working together. He went on to highlight some of the areas that needed attention such as; Lufwanyama Road where there was need to collect garbage and the place near Chinese Shop where there was need for vegetation control.

Members were further informed with regards to increasing the number of beneficiaries from the current 152 that it was not under its jurisdiction to increase the number of beneficiaries. She further mentioned that with regards to engaging the elderly people, it was a decision of the committee to identify and engage those beneficiaries.

She went on to say that with regards to Personal Protective Equipment (PPE), he advised that Kalulushi Municipal Council could only manage to procure face masks and gloves and that no money would come from Kalulushi Municipal Council for collection of Garbage for activities being undertaken under cash for work instead Ward Development Committees together with stakeholders should work hand in hand and engage individuals to collect garbage.

CLOSING REMARKS BY HIS WORSHIP THE MAYOR

His Worship the Mayor thanked everyone for their contributions and was very instrumental. He went on to say that the presentations were not in vain but Kalulushi Municipal Council in conjunction with the Office of the District Commissioner and His Office would make sure that presentations were worked on and ensure that all arrears were paid. He went on to say that Area Councillors, Wards Development Committees and all stakeholders should work hand in hand for the development of Kalulushi District.

There being no any other business to deliberate, the meeting was declared closed at 14:20 hours after a National Anthem and prayer from Chrispine Chisha, Chambishi Ward Development Committee Chairperson.

Signed this 28th *day of* January *2025*
